To access VigiFlow please go to the following url:

https://vigiflow.who-umc.org/

The recommended browser is the latest version of Google Chrome.
Logging into VigiFlow for the first time

When you access VigiFlow for the first time you need to set your password. The following steps will explain how.
Click the link: 
**Forgot your password?**
Enter your email address = user ID

Click **Send verification code** and
When this page appears, keep the VigiFlow page open and access your email inbox in another tab.
Within a few minutes you should receive an automatic email from *Microsoft on behalf of Uppsala Monitoring centre*. 

<table>
<thead>
<tr>
<th>Microsoft on behalf...</th>
<th>Uppsala Monitoring Centre account email verification code</th>
</tr>
</thead>
<tbody>
<tr>
<td>I never said I knew</td>
<td></td>
</tr>
<tr>
<td>Gold II</td>
<td></td>
</tr>
<tr>
<td>To Full stoppen shitez</td>
<td></td>
</tr>
<tr>
<td>Do it safe me</td>
<td></td>
</tr>
<tr>
<td>To Full stoppen shitez</td>
<td></td>
</tr>
<tr>
<td>Do it safe Health me</td>
<td></td>
</tr>
</tbody>
</table>
Email with the verification number

Copy the 6 digits code into the VigiFlow.
Enter the code here.

Click **Verify code**.
The code has been verified. You can now continue.

your.self@vigimail.com

Click **Continue**
Decide on your new password and repeat it to confirm.

- The password must be 8 - 64 characters.
- The password must have at least 3 of the following:
  - a lowercase letter
  - an uppercase letter
  - a digit
  - a symbol

Then click **Continue**
The new password is now set.

Next time you log into VigiFlow, you just need to enter your Email Address and Password.
